Sales manager to check one of the below package options, and forward to client for completion

- [Special Event Winery (SEW/SEG) Package] – Option #1
 [Temporary Sales License (TSL) Package] – Option #2

The Portland Expo Center has exclusive food and beverage distribution rights within the Portland Expo Center. Exhibitors may distribute samples of alcoholic beverages ONLY upon written authorization of the Portland Expo Center Director. Licensed vendors may sample and sell factory sealed containers of individual bottles of wine for off-site consumption if they hold a "Special Event Winery License" (SEW) or "Temporary Sales License" (TSL) and have the written approval of the Portland Expo Center Director via this form. Special circumstances may require a "Temporary Sales License" (TSL) issued from the Oregon Liquor Control Commission (OLCC). Requests to use a TSL will be considered on an annual case by case basis by the Portland Expo Center. The Portland Center will not be responsible for the quality or state of the alcoholic beverage(s) served by an authorized vendor.

General Conditions:

1. The Portland Expo Center Director must approve all alcohol sampling/selling (for on premise consumption) taking place on the grounds of the Portland Expo Center via this form, and signed at time of contracting.
2. Alcohol sales must be approved by the Oregon Liquor Control Commission, Beer and Wine Supervisor, 9079 SE McLoughlin Blvd.; Portland OR 97222. The licensee, distributor or exhibitor acquires all necessary Oregon Liquor Control Commission applications, permits and licenses for such selling. Oregon Liquor Control Commission applications, permits and licenses applicable to the requested selling (SEW/SEG's or TSL) must be submitted to the Oregon Liquor Control Commission and to the Portland Expo Center a minimum of 30 days prior to the event.
3. The sale of factory sealed bottles of wine, beer or cider will be for off-site consumption only.
4. A copy of the insurance certificate, holding Metro, the Metro Exposition Recreation Commission (MERC) and the members, officers, directors, agents and employees of each entity, harmless for any problem occurring from the dispensing of samples of alcohol, must be attached to this form. The certificate of liability should note "liquor liability" under "other" for one million dollars per each common cause and one million dollars aggregate.
5. Out of state wineries are not permitted to sample or sell on-site unless the event is contracted under a non-profit organization.
6. All pouring must cease 60 minutes prior to the published event ending time or at the time alcohol sales and service is ceased by Aramark/pacificwild.
7. Expo house rules restrict the sampling of distilled spirits. Any exception must be approved in writing by the Expo Center Director.
8. All policies are subject to change. Show management must work with the Expo event manager to ensure that alcohol sampling and sales are within current OLCC and Expo guidelines.

Event Date:

Name of Event:	Attach a list of all booth number(s) where samples will be offered and/or where the sales of factory sealed wine will be sold. Please specify which booth will be sampling and which, if any, will be selling.

***Ticketed events are subject to a commission user fee of 6% of gross ticket sales, vs. \$0.50 min. per ticket in addition to the ticketed rates listed. Rates listed below are per event day. As available, a maximum of three (3) load-in/out days at no charge, ½ rate thereafter.**

Exhibit Halls

The Expo Center is comprised of five (5) expansive exhibit halls that can be used separately and collectively. Exhibit hall rental is calculated on a per event day basis with daily rent determined by ticketed or non-ticketed admission. Rent includes the space designated, existing lighting, heating, air conditioning (Halls D & E only), adjoining show office, access to common areas, and limited janitorial service. Refuse removal from the event space is an additional charge based upon market price. Combined exhibit hall rentals receive a discounted rate. Please see [Rental Rates](#) for current ticketed and non-ticketed rates, and detailed specifications.

Meeting Rooms

The Expo Center currently has ten (10) meeting rooms that vary in size and function. Meeting room rental is calculated on a per event day basis, with daily rent determined by ticketed or non-ticketed admission. Rent includes the space designated, existing lighting, heating, air conditioning, adjoining show office, and limited janitorial service. Changes in room set-up and or additional equipment will be charged at the prevailing rates. Audio / visual and catering services are available; contact your event manager for information.

Auxiliary Space

Space adjoined to the exhibit halls, such as lobby areas, are also available for rent on a per event day basis for receptions and other events. Expo maintains control of common areas that lead to the main exhibit halls and encourages clients to work together when these points of entry are shared between events.

Move-In / Move-Out

Complimentary move-in/out days, when available, are calculated on a one-for-one basis with paid event days, up to a maximum of three (3) days. Additional days in excess of the maximum are charged to the licensee at one-half the daily rent. Days required for use by your decorator should be considered in this calculation. Complimentary move-in / move-out days may vary depending upon event schedules and spacing concerns.

Parking Lots / Outdoor Exhibit Space

The rental of outdoor space is at the discretion of the Expo Center. Outside space is calculated at \$0.022 per square foot per event day, with a minimum of \$370 per event day. Parking capacity estimates are always a consideration in determining if parking lot rental will be allowed. If parking capacities are considered insufficient for expected attendance, a premium rate structure may be charged. Outside space is to be considered "as is" and all required services are charged at prevailing rates. Rules and regulations particular to outdoor exhibit space rentals may apply.

Insurance Requirements

All events are required to provide proof of insurance of at least \$1,000,000 comprehensive general liability, worker's compensation and \$500,000 automobile liability coverage. All insurance certificates are required to have the following listed as additional insured: "Metro, MERC, Portland Metropolitan Exposition Center and the members, officers, directors, agents and employees of each entity."

Rules and Regulations

Please read and review the Rules and Regulations that are considered an extension of the license agreement and are designed to give the licensee an outline of the responsibilities and operational guidelines for the Portland Expo Center. Questions or concerns can be answered by your event manager.

Portland Expo Center parking services are staffed by City Center Parking, Inc. There is a charge for all parking during events at the Portland Expo Center. Special arrangements may be made with licensees wishing to pay for their attendees' parking; please contact your event manager to discuss options. Parking is free of charge on move-in and move-out days. Licensee is provided with fifteen (15) complimentary parking passes which are valid for the run of show, and include in and out privileges.

Overview

Ticketing services are professional and reliable at the Portland Expo Center. A full-service operation, all aspects of ticketing are handled by Expo including design, set up and printing; advance, day-of-event and remote sales; daily ticket statements and final ticket reconciliation.

Staff

Expo ticketing staff has many years of professional experience and customers have come to know and rely upon their expertise and exceptional customer service.

Ticket System

The Portland Expo Center utilizes a state of the art computerized ticketing system from TicketsWest. It is flexible, easy-to-use and allows quick transaction speeds. The system delivers security, data integrity and reliability to our ticketing operation and offers reports ranging from the simple to the sophisticated, tracking sales on a daily and run-of-show basis. Depending on the event set up, our ticket barcode scanning system can also be used, which allows for real time attendance counts.

Advance Sales

If desired, we can arrange for event tickets to be sold in advance through TicketsWest. This locally based ticket agency sells tickets over the internet, at its 24/7 local Call Center, and at its many outlets. Service charges are added to the ticket price and are paid by the ticket buyer at point of purchase. All transactions are convenient, quick, reliable and secure. Regular advance sales reports are easily available via email. TicketsWest includes Expo Center advanced sales events in their newsletters, which go out to over 100,000 potential customers in the Oregon/SW Washington region.

Current Departmental Charges

For all of the above listed services the licensee shall pay a per ticket charge for each ticket printed (currently \$.14), a credit card fee on all credit card transactions (currently 3.25%), plus the prevailing hourly labor fees for a box-office supervisor (\$28.75) and ticket seller(s) (\$22.25). Ticket sellers work on a minimum 4-hour shift. Every reasonable attempt is made to keep costs to a minimum, and schedules are organized judiciously, allowing for reductions in staff as show traffic warrants.

Ticket sales begin thirty minutes before the show opens each day and stop an hour before the show closes unless other sale times are requested.

User Fee

The user fee supports funding for the Expo Center's Phase III projects which include the realignment of South Access Drive, additional parking stalls, and eventual replacement of Exhibit Halls A, B, C and related improvements. The fee is currently assessed at 6% of tickets sold with a minimum of \$.50 per ticket. Ticketed events that *both* sell fewer than 3,000 tickets *and* generate ticket sales of less than \$15,000 are exempt from the user fee.
