**Temporary Electrical Service Rates
January 1, 2019- June 30, 2019**

Through June 30, 2019, professional installation of temporary electrical services at the Portland Expo Center is solely provided by Hollywood Lights. They can be reached at **(971) 808-3585 or info@hollywoodlights.biz**. Prior to June 30th, 2019, a temporary electrical RFP process will take place. Any changes in Expo's temporary electrical service provider; should they take place, will occur, and will be communicated to our clients within that timeline.

Service rates for Jan. 1-June 30, 2019 are listed below for most options and varied service calls. Contact Hollywood Lights at (971) 808-3585 for any special power needs not listed here. It is advised that electrical service orders be submitted 30 days prior to the first move-in day. Rates are based upon timing of the order placed, with payment received. Orders and payment received fourteen (14) days prior to the first move-in day will qualify for the Advanced Rate as listed. All electrical rates are based upon market and expenses, and may be subject to change without notice. Please speak directly with your Event Manager if you have questions.
